2. Calculate your ticket prices

- Refer to the pricing grid for package pricing in your selected reserve. Apply your package discount based on the number of concerts in Section 1B.
- Use this table to calculate the total tickets by price (adult, concession etc.) per concert or series. For example, 2 adults to 2 *Symphony Series* concerts would price up 4 adult tickets to the *Symphony Series* at the appropriate discount level.
- You may leave this section blank and ASO will calculate prices for you. We will contact you by phone before taking payment.

- Do not include additional tickets for the per person fee calculation.
- Please attach an extra piece of paper with details of all additional tickets required.

Would you like to sit with another patron who is completing their own booking? Submit your booking forms together (either enclosed in the same envelope or hand-deliver to ASO), and where you are attending the same performance, ASO will seat you together.
